

ARCADE

A R C A D E

*Introducing Arcade's range of
exquisitely crafted bathroom pieces,
lovingly designed to create a décor
that is truly unique.*

Expertly finished in both nickel and chrome, the collection brings the archives of bygone design eras to the forefront whilst reflecting the trends seen in bathrooms today. Featuring beautiful ceramic sanitaryware, free-standing baths and stunning brassware masterpieces, Arcade effortlessly completes the luxury concept whilst distinguishing itself as the most acclaimed in bathroom styling.

Set to provide the ultimate in luxury for any traditional or contemporary setting, Arcade rebuffs against the limited lifespan of many of today's offerings whilst remaining classically stylish, guaranteeing a bathroom that will last a lifetime.

Chrome finish shown

Three tap hole deck-mounted basin mixer taps with black levers without pop-up waste in chrome

NICKEL

“The durable, triple-layer nickel coating creates a long-lasting lustre on all our fixtures and fittings.”

Our signature finish, used throughout all of our brassware, accessories and fittings, the durable triple-layered nickel coating creates a long-lasting lustre on all of our fixtures, ensuring that your luxury bathroom is truly timeless in both its style and functionality.

The meticulous three-step manufacturing process protects, strengthens and adds extra shine to the brassware, resulting in a truly sophisticated look for the bathroom. Immersed into a nickel-plating tank to add a protective layer to the brassware, each piece is then chrome plated to provide resistance to corrosion before finally another coating of nickel is cascaded over the product to finish the process, adding an extra protective film.

CHROME

“Blending contemporary finishes with classic design for a beautifully harmonised bathroom setting.”

Embracing one of the most prevalent bathroom trends to emerge in the last few years, Arcade successfully displays how contemporary styles can be blended with classic design through the launch of their new chrome collection. Harmonising beautifully with the range's timeless ceramics, the chrome brassware is lighter in colour than the original nickel finish, offering the option for a delicately styled bathroom décor.

Arcade's chrome collection reflects modern interior trends seen today, whilst demonstrating beautiful design, expert manufacturing techniques and perfect functionality for a bathroom that provides the ultimate in luxury design.

Fire Hydrant

Complete fire hydrant
Including outlet extension, waste
extension and cover plates for
overflow hole
ARC40 NKL
ARC40 CHR

Technology

Named fire hydrant due to its classic design, this is a very distinctive waste system that operates from the plug hole. Water fills the hydrant which incorporates a built in overflow and plug system, simply lift the handle to empty your bath. This waste system adds a level of opulence to your bathroom.

The waste pipe in our 'fire hydrant' is designed so that you can change the angles to fit into your waste in the floor.

Shown on page 24 with the Royal free-standing over bath shower and page 16 on the Sackville natural stone bath.

“For the ultimate timeless look”

Nickel finish shown

Build Your Own Shower

Select a concealed or exposed valve and build your own shower with the components below

Arcade shower valves are available to purchase as a complete kit (see previous page) or as individual components, so you can tailor your shower to your own tastes.

Concealed Valve

ARCV34 NKL

Exposed Valve

ARCV25 NKL

Exposed Accessories

Avon exposed thermostatic shower valve with two outlets including valve handle and ceramic lever
ARCV25 NKL

Straight shower arm for vertical rigid riser mounting without rose
ARCV11-1 NKL

9 inch air boosted rain shower rose with easy clean nipples
ARCV17 NKL

12 inch air boosted rain shower rose with easy clean nipples
ARCV60 NKL

Adjustable shower handset bracket
ARC34 NKL

Spout
ARCV32 NKL

Telephone handset & hose
ARC31 NKL

Cradle for vertical riser
ARCV24 NKL

Concealed Accessories

Trent concealed thermostatic shower valve including valve handle and ceramic lever
ARCV34 NKL

Wall-mounted straight shower arm without rose
ARCV11 NKL

9 inch air boosted rain shower rose with easy clean nipples
ARCV17 NKL

12 inch air boosted rain shower rose with easy clean nipples
ARCV60 NKL

Diverter for handset
ARCV31 NKL

Soap basket for vertical riser
ARCV23 NKL

Vertical rigid riser pipe and wall mounting
ARCV21 NKL

Long riser rail
ARCV22 NKL
